

## Third European Summer School on Theory and Practice of AFM in Life Sciences and Medicine

**Marcoule, France, (28) 29 August - 2 September 2011**

The AFM Biomed Summer School offers an introduction to Atomic Force Microscopy in Life Sciences and Medicine for PhD student, post-docs or young scientists. Lectures in the morning are complemented by hands-on experiments in the afternoon. There are about 20 places for students doing hands-on experiments. These places will be given preferentially to European students. Participants are encouraged to send a CV and a motivation letter. AFM beginners are welcome.

The registration fee for the AFM Summer School is 900€ for academics (1200€ others) including: the training divided into 6 different thematic sessions (more than 20 hours of courses), hands-on experiment, lunches, refreshments, accommodation and local transportation.

Tentative list of speakers and topics is under construction on AFMBioMed website: <http://afmbiomed.org/summer-school.aspx>

**Application deadline 2-MAY 2011**

**Hope to see you in Marcoule!**

This year AFMBioMed Summer School is associated with [COST Action TD1002 First Summer School.](#)
