

AFM BioMed Conference Barcelona, April 8-11, 2025

OPENING CALL FOR PAPERS

After Barcelona 2007 (Spain), Monterey 2008 (USA), Red Island 2010 (Croatia), Paris 2011 (France), Shanghai 2013 (China), San Diego 2014 (USA), Porto 2016 (Portugal), Krakow 2017 (Poland), Münster 2019 (Germany), and Nagoya 2022 (Japan), **a rejuvenated version of AFM BioMed** conferences is starting. We have the pleasure to announce the 11th conference on AFM for Life Sciences and Nanomedicine, on April 8-11, 2025 in Barcelona.

The Conference co-organizers are the Institut de Bioenginyeria de Catalunya (IBEC), CIBER-BBN and the Universitat de Barcelona (UB).

The venue is the Historic Building of UB.

The Conference is chaired by Dr. Marina I. Giannotti, Institut de Bioenginyeria de Catalunya (IBEC), CIBER-BBN and Universitat de Barcelona (UB).

Keynote lecture: **Malgorzata Lekka** (IFJPAN, Krakow)

Session: **From membranes to cells** (chair: **F. Carvalho**, Lisbon, Invited: **M. Pesl**, Brno)

Session: **Single molecules** (chair: **F. Moreno-Herero**, Madrid, Invited: **N. Forde**, Burnaby)

Session: **Multicellular systems & biointerfaces** (chair: **D. Sicard**, Paris, Invited: **E. Barriga**, Dresden)

Session: **AFM developments** (chair: **G. Heath**, Leeds, Invited: **G. Fantner**, Lausanne)
