

上海

AFM BioMed Conference Shanghai May 7-11, 2013

After Barcelona 2007 (Spain), Monterey 2008 (USA), Red Island 2010 (Croatia) and Paris 2011 (France), AFM BioMed Conferences has the pleasure to announce the Vth conference on AFM for Life Sciences and Nanomedicine, on May (7) 7th-11th 2013 (including training) in Shanghai, China.

The conference will be hosted by Shanghai Institute of Applied Physics, Chinese Academy of Sciences, Shanghai Jiao Tong University and Shanghai Normal University. Scientific session will happened in Shanghai Synchrotron Radiation Facility (SSRF). The Conference will be chaired by Professor Jun Hu, Shanghai Institute of Applied Physics, Chinese Academy of Sciences.

First announcement

Featured topics:
High-resolution and High-speed Imaging
Molecular Force Spectroscopy and Recognition
Cellular MechanoBiology
AFM in Nanomedicine

We are looking forward to seeing you in Shanghai.

The Organizing Committee:

- Pierre Parot, CEA Marcoule, France
- Jean-Luc Pellequer, CEA Marcoule, France
- Daniel Navajas, University of Barcelona, Spain
- Sanjay Kumar, Berkeley, USA
- Vesna Svetličić, Rudjer Boskovic Institute, Zagreb, Croatia
- Simon Scheuring, Inserm, Marseille, France
- Jun Hu, Shanghai Institute of Applied Physics, Shanghai, China
